Subject: Invitation to Send Student Representatives for "TNS Neuro Quiz" Competition

Dear Director of

Attached Document: Activity Announcement for "TNS Neuro Quiz"

In collaboration with the Thai Neurological Society and the Innovative Learning Institute, Mahidol University, we cordially invite schools nationwide to send the group of your student representatives to participate in the competition "TNS Neuro Quiz."

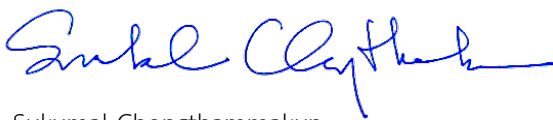

The TNS Neuro Quiz is part of the International Conference on Neuroscience and Brain Health 2024 and the 27th Thai Neuroscience Society Annual Meeting (ICNB2024 & TNS27), scheduled to take place at Amari Hua Hin Hotel, Prachuap Khiri Khan, from May 8th to 10th, 2024. This event aims to stimulate and promote students' interest in neuroscience knowledge at the high school level.

We would like to invite your school to send a team to participate in the competition. Each team can comprise a maximum of 3 students and 1 accompanying teacher (coach). Details are available in the attached announcement. Registration is open from March 1st to March 20th, 2024, through <http://thaineuroscience.org>.

The competition consists of qualifying rounds (1st round & 2nd round) conducted online, and the final competition stage will feature 6 teams. The finalists will receive a voucher (free one-day registration & two hotel rooms/one night) to compete in the ICNB2024 & TNS27 conference on May 8th, 2024, at Amari Hua Hin Hotel, Prachuap Khiri Khan. Winners will have the chance to compete for the trophy, a cash prize of 30,000 Baht, and awards from the sponsors of the TNS Neuro Quiz competition.

We kindly request your attention and support in sending a team of student representatives to participate in this event. Your cooperation is highly appreciated.

Best regards,

Sukumal Chongthammakun

Emeritus Professor

President of Thai Neuroscience Society
