Subject Invitation to attend the 28th Annual Thai Neuroscience Society Conference 2025 (TNS28)
Dear Chancellor / Dean / Head of Department / Director / President / Secretary / Professor /
Researcher / Student and Member of Thai Neuroscience Society

On behalf of the organizing committee, it is our great pleasure to invite you to “The 28th Annual Thai Neuroscience Society Conference 2025 (TNS28)” under the theme “Neuroplasticity Across the Lifespan: Development, Aging, and Neurodegeneration”, to be held at Kantary Hills Hotel, Chiang Mai, Thailand, during 29th to 31st October, 2025. The conference will bring together leading experts in Neuroscience field, with lectures from both local and international speakers.

The conference aims to unlock the full potential of the human brain by integrating scientific research, ethical considerations, lifestyle modifications, technological innovations and provide a platform for exchanging knowledge and establishing research networks among experts from various fields, present their latest research findings, and engage in meaningful discussions. We believe that your expertise and insights would greatly contribute to the enriching discourse.

We cordially invite you to join this conference to share research findings with peers, and foster collaborative networks. To confirm your participation and for further details regarding registration, the peer-review process, and submission guidelines, please visit our conference website at <https://thaineuroscience.org/conference/tns28/>. For inquiries, please contact us via email at tns28.info@gmail.com. Participation in the event will not be considered as leave if prior approval is obtained from the supervisor.

We would like to extend our invitation to you and your colleagues to consider attending this academic event. Your participation would be greatly appreciated.

Kind regards,

(Prof. Dumnoensun Pruksakorn, M.D., PhD)

Chairman of the Center of Multidisciplinary
Technology for Advanced Medicine
