Subject: Invitation as Exclusive Sponsorship and Exhibition Opportunities for TNS28

Attached document: Sponsorship Form

Dear Sponsors,

This invitation letter requests the support from your company for the sponsorship and exhibition in the International Conference of “The 28<sup>th</sup> Annual Thai Neuroscience Society Conference 2025, TNS28”, Theme: **“Neuroplasticity Across the Lifespan: Advancing Neuroplasticity Research Through Cutting-Edge Methodologies”**. This conference will be co-organized by Thai Neuroscience Society and Faculty of Medicine, Chiang Mai University during October 29<sup>th</sup> to 31<sup>st</sup>, 2025, at the Kantary Hills Hotel in Chiang Mai, Thailand.

TNS28 offers a unique platform for academic researchers, university students, and private companies specializing in Neuroscience and related fields such as Biological Sciences, Anatomical Sciences, Physiological Sciences, Nutrition, Education, etc., to exchange knowledge and foster collaborations to facilitate new connections and insights across these fields, with approximately 200 delegates.

In addition, TNS28 includes the special activities, TNS Neuro Quiz 2025 (for High School students), SKT pre-post workshops (for the interested and elderly groups), and the IBRO-APRC supported Associate School (for selected and supported applicants from International Brain Research Organization (IBRO)). The providing sponsors, the exhibitions of health and brain promoting products and high innovation technology with a prime opportunity for visibility and engagement within this diverse community of Neuroscience are very appreciated.

Please kindly consider this invitation, and visit TNS website: <https://thaineuroscience.org/>. I would appreciate receiving your decision in the attached Sponsorship form.

Best regards,

Prof. Supin Chompoonong, PhD

President of Thai Neuroscience Society, 2025-2027
