Subject: Invitation as Exclusive Sponsorship and Exhibition Opportunities for TNS29

Attached document: Sponsorship Form

Dear Sponsors,

This invitation letter requests the support from your company for the sponsorship and exhibition in the International Conference of “The 29th Annual Thai Neuroscience Society Conference 2026, TNS29”, Theme: *“Neurodevelopment, Aging, and Neurodegenerative Disorders: Innovation and Implications”*. This conference will be co-organized by Thai Neuroscience Society and Institute of Molecular Biosciences, Mahidol University during August 5th to 7th, 2026, at the Amari Bang Saen Hotel in Chonburi, Thailand.

TNS29 offers a unique platform for academic researchers, university students, and private companies specializing in Neuroscience and related fields such as Biological Sciences, Anatomical Sciences, Physiological Sciences, Nutrition, Education, etc., to exchange knowledge and foster collaborations to facilitate new connections and insights across these fields, with approximately 200 delegates.

In addition, TNS29 includes the special activities, TNS Neuro Quiz 2026 (for High School students), SKT pre-post workshops (for the interested and elderly groups), and the IBRO Society Meeting support for the travel grant of selected applicants for attending TNS29 from International Brain Research Organization (IBRO). The providing sponsors, the exhibitions of health and brain promoting products and high innovation technology with a prime opportunity for visibility and engagement within this diverse community of Neuroscience are very appreciated.

Please kindly consider this invitation, and visit TNS website: <https://thaianeuroscience.org/>. I would appreciate receiving your decision in the attached Sponsorship form.

Best regards,

Prof. Supin Chompoonpong, PhD

President of Thai Neuroscience Society, 2025-2027
