

## Federation of Asian-Oceanian Neuroscience Societies

Dear FAONS members,

I am pleased to announce the forthcoming Federation of Asian-Oceanian Neuroscience Societies (FAONS) 2024 Congress, NEURO2024, scheduled to take place from July 24th to 27th in Fukuoka, Japan. This event will be held concurrently with the 47th Annual Meeting of the Japan Neuroscience Society (JNS), the 67th Annual Meeting of the Japanese Society for Neurochemistry (JSN), and the 46th Annual Meeting of the Japanese Society of Biological Psychiatry (JSBP).

We cordially invite you to submit a symposium proposal for a FAONS Symposia in alignment with the recommendations of the FAONS Program Committee. There will be 6 FAONS Symposia, and all proposals will undergo thorough review by the FAONS Program Committee. The deadline for Symposia proposal submissions is October 24th, 2023, at 17:00 Japan time.

Additionally, we would like to inform you that the Program Committee may recommend that your Symposia proposal may be combined with other proposals sharing a similar topic. Detailed information regarding the selection criteria, proposal guidelines, and financial support for selected symposia organization can be found in the document attached or on our official website.

Your valuable contributions and timely submissions are highly anticipated. Should you have any inquiries or require further assistance, please do not hesitate to reach out.

Thank you for your attention and dedication to advancing the field of neuroscience.

Best regards,

Prof Peter R Schofield AO

Past-President, Australasian Neuroscience Society

Chair of the Program Committee, FAONS
