Announcement of the Thai Neuroscience Society (TNS)

Subject: TNS Member Travel Award for FAONS Congress 2024

The Thai Neuroscience Society (TNS) is dedicated to encouraging its members to showcase high-quality research at the Federation of Asian-Oceanian Neuroscience Societies (FAONS) Congress 2024 / NEURO 2024, scheduled to be held on 24-27 July 2024 in Fukuoka, Japan. To support this endeavor, TNS proudly introduces the **"TNS Member Travel Award for FAONS Congress 2024"** funded by the budget balance of the Thai Neuroscience Society. The awards will be granted based on the potential impact of the research, and recipients are expected to attend the entire conference.

Award Information:

- There are 5 awards available.
- Exclusively for TNS members.
- Selection is carried out by the Award Committee.
- The THB 25,000 is provided as partial financial assistance (registration, transportation, and accommodation) for attendance at the FAONS Congress 2024 / NEURO 2024.
- Each member is eligible for one award.
- Awards will be presented at the TNS28 Conference (2025).
- Original receipts must be submitted to the Award Committee by December 15, 2024 for expense reimbursement.

Eligibility:

- TNS member, age not exceeding 50 as of the application deadline.
- Must be the first author and/or the presenter at the FAONS Congress 2024.
- Application letter must be submitted WITH the confirmation documents of the registration, an abstract or full article, and an acceptance letter for presentation at the FAONS Congress 2024.
- Submission should be sent to the TNS at: secretary.thaineurosci@gmail.com by **March 15, 2024**.
- The travel awards will be announced on **March 30, 2024**.

Requirements:

- Awardees are required to present their FAONS Congress 2024 work at the TNS 28 (2025).

Criteria:

The Award Committee will evaluate all applications with the following criteria:

- Scientific quality of research.
- Lifetime ordinary membership of the Thai Neuroscience Society.

Notification:

- The list of awardees will be announced on the TNS web page <https://thaineuroscience.org/>
- Awardees are requested to acknowledge the Thai Neuroscience Society as follows: *"I acknowledge the support of the Thai Neuroscience Society for the travel award to present this work"* in either the first or last slide of the oral presentation or on the poster of the poster presentation.
- The decision of the Award Committee is considered final.

This announcement is made for public acknowledgement.

Announced on January 5, 2024

(Emeritus Prof.Dr.Sukumal Chongthammakun)
President of the Thai Neuroscience Society
